# Bowen Finds Funds For A Project

A program to remove barriers for the physically disadvantaged has been proposed for the town, with funds established in the 1940's which have been gathering interest over the years.

Selectman Richard J. Bowen made the proposal at the hearing on the town's capital budget program Tuesday night in Memorial Hall library.

Bowen noted that the physically handicapped have difficulty in Andover in gaining entrance to such places as Memorial Hall library, town hall, schools, etc., due to stairs, heavy doors and other barriers. Also, he said, difficulty is

presented to such disadvantaged people at street crossings where high curbs provide difficulty to those in wheelchairs or on assisting devices such as crutches or canes.

The selectman said that removal of such barriers is something the town should be thinking about. He added that while he had no idea how much an overall program would cost, or where it would be placed in a capital budget program, he had found some funds with which the proposal could get some initial implementation.

The town during the World War II period of the 1940's had appropriated funds to be

set aside for postwar rehabilitation projects. The state legislature at the time had provided enabling provisions for towns and cities to prepare for those who would be returning from the war effort.

The fund has now built up to about \$50,000.

The historical significance of how the fund was initiated and when is not clear at this point. But the town did provide funds to set aside with the provision that the money be used for municipal improvements which would normally require

Tim Smith, two and one-half-years-old, security blanket and all expresses caution as he meets Mary Ellen Erban, 98 Haverhill St., Andover who just completed the Babysitting Course conducted annually by the Andona Society. The meeting took place at the final session of the course Tuesday at East Junior High. Story on page 22.

## Junior High Renovations In Program

A \$3,225 million renovation of East Junior High school is a part of the capital budget program presented to the town this week and will be discussed at a meeting of parents scheduled for next Wednesday evening at the school.

The renovation, according to Supt. of Schools Kenneth R. Seifert is to upgrade the building to accommodate modern educational programs.

According to the capital budget program the town would probably be asked to

provide planning funds for the project at the annual town meeting next year.

Seifert noted that the building is in need of considerable renovation to provide for educational needs. For years the music program at the school has been conducted on the stage which is hardly considered a proper and adequate teaching station, he said. Handicapped youngsters have difficulty getting around the building, he noted.

With that in mind, along with other considerations for the educational program relative to the building, the administration is currently examining the structure and will come up with some estimates on work needed. This will then be placed before the school committee for a decision as to whether the board desires to proceed toward renovation or move toward a new school.

The committee has had a recent policy on not building any new schools and also to upgrade existing buildings.

The preliminary work being done at present will provide the administration with an idea of whether renovation is feasible, whether from an economic standpoint, it would be better to build new.

An early estimate indicates that in the vicinity of 2 million would be needed in construction work alone in the school.

The building, a part of the town's educational plant for many years was originally the Punchard High school, with an addition being placed in the 1930's.

Later it became both junior and senior high school building and in more recent years one of the town's two junior high buildings.

Renovations were carried out in the building about ten years ago when the

## Vale Firm To Expand

Shawsheen Rubber Co., a manufacturer of adhesives used in the shoe and jewelry industry, has begun an \$84,000 addition to their plant off Andover street in Ballardvale.

The company is planning a 6,000 square foot addition to its manufacturing space to accommodate increased business for the firm. The added space has been under study by company officials for some time, Kelly said, but industry trends were awaited before making any final decisions.

The outlook is promising, Kelly said, in the industries they service with their products, particularly the shoe and jewelry companies.

Shawsheen provides rubber based products for the industries and currently employs between 35 and 40 at its Ballardvale operation.

## Manager's Post On Agenda

The appointment of former town manager J. Maynard Austin to a position as special assistant to the acting manager, is expected to be acted upon by the selectmen at their meeting Monday at 7:30 p.m. in Memorial Hall library.

Acting Manager Sheldon S. Cohen said he would present the matter to the board along with terms of his own appointment at the board's regular meeting Monday.

The matter was scheduled for discussion this week at the board's conference session, but delayed due to Selectman Edward M. Harris being confined to Lawrence General hospital for treatment of phlebitis in his leg. Selectman Richard J. Bowen was also unable to attend the Monday night session,

thus the discussion and action was put off to the convening of a full board.

Austin submitted his resignation to the board three weeks ago with the condition that he be retained on the payroll in some capacity for a six month period.

Also on Monday's agenda is a decision on the request for a gravel pit permit for George Chongris for Blanchard street property, a status report on water quality in the Shawsheen area, an update on the flood insurance program proposed by HUD, following an open house on the subject held recently at the library and a revision in the building and electrical permit fees to be proposed by Acting Manager Cohen.

## Need Street Light Study Volunteers

Volunteers for appointment to the street lighting committee have been requested to submit applications to the town manager's office.

Acting Manager Sheldon S.

Cohen said it is hoped to have at least one person representing each of the town's eight precincts in order to provide some adequate guidelines for providing a policy for the town.

## Solid Waste Study Group Being Formed

A seven to nine members committee will be appointed to study the town's solid waste problems, and candidates are asked to submit applications to the town manager's office.

Desired is a committee prepared to work intensively over the next five months to study the town's options with regard to solid waste disposal problems.

positional problems.

Acting Town Manager Sheldon S. Cohen said that due to the technical involvement of the subject, it is desirable to seek expertise in the specific areas of finance and economics, contract law, environmental analysis, civil and mechanical engineering and some generalists.

## Tax Bills In Mail

The Town of Andover tax bills are in the mail. The first payment of the tax bills will be due and payable Dec. 12. Taxes paid after Dec. 12, will be subject to interest at 10% back to Nov. 12.

The new 10% interest figure was effective July 1.

The tax office will be open Monday - Friday, 8:30 to 4:30, and Monday nights, Nov. 14, 21, 28, Dec. 5 and 12, 6 to 8.

Anyone who does not receive a tax bill, should contact the Tax Office.

## Philharmonic Year Is Proclaimed

Selectmen Monday night issued a proclamation designating the year Nov. 1, 1977 through Nov. 1, 1978 as Merrimack Valley Philharmonic Year.

The salute to the orchestra is in recognition of the contribution of the Andover-based organization to the entire Merrimack Valley area and in conformance with a similar

proclamation issued by Gov. Michael Dukakis.

The annual concert series of the Philharmonic began last night with a concert at West Junior High. The annual ball, featuring a dinner and two hours of dancing to Viennese waltzes is scheduled for Saturday, Nov. 19 at the Sheraton Rolling Green.

The North Andover schools special needs department assisted in providing materials which will be on display in the Children's Room of the library. ## Workshop At West

The West School is presenting its first M.E.C. (Merrimack Education Center) program featuring Ann Murray, Home-School Coordinator. # AVIS Holds Annual Meeting

The Andover Village Improvement Society held its 82nd annual meeting Tuesday evening at the Christian Formation Center.

Crayton Bedford presented an illustrated talk on solar energy — what it is, how it works, costs and practical applications in old and new homes. He is presently engaged in home construction utilizing solar energy as a source of heat and/or hot water.

Bedford's talk was preceded by a social hour and dinner. A brief business meeting followed, with AVIS President Nat Smith

presiding. Newly elected trustees were Nicholas B. Orrick and Wilfred J. Schwarz, Jr.

Trustees who were reelected were Thomas E. Cone, 3rd, David MacDonald, Jr., Louise T. Pike, Harold R. Rafton, Alfred A. Spatola.

Trustees retiring from the board were Eeda Jill Belkin and Robert L. V. French. David G. Roberts was reelected to the finance committee.

At a trustees meeting which followed the officers for the coming year were elected: Nat Smith, president; Claus Dengler, first vice-president; Harold Rafton, second vice-president; Lyn Beattie, third vice-president; David MacDonald, Jr., treasurer; Tom Cone, secretary.

Harold Rafton reported that the Lawrence Hydroelectric Association wishes to put in a power plant below the dam on the Merrimack River. In so doing, the water level might have to be raised several feet on the west side of the dam. AVIS and the Conservation Commission have been talking to the association to protect rights and prevent flooding of the riverbanks. The outcome is still pending. AVIS acquires wetlands, riverbanks and green areas to preserve their trees, plants, wildlife and scenic beauty. Walking trails are maintained for public use and all activities consistent with conservation objectives are encouraged. There has been an improved awareness of the work AVIS is doing for the community shown by the increased use of these reservations. ## Benefit Dance Held For ABC

Andover ABC held its third annual benefit concert-dance on Nov. 4, at the Sheraton Rolling Green.

Featured was the New England Conservatory Big Swing Orchestra led by trumpeter, Bo Winiker. Guests danced to the tunes of such names as Tommy Dorsey, Glenn Miller, Benny Goodman and Duke Ellington. Organized by Bo Winiker, the Big Swing Orchestra is comprised of young musicians who are recreating the big band sounds of the 1930's and 1940's.

Proceeds from the evening will help

operate the ABC program for this year. Andover ABC is celebrating its tenth anniversary and presently has ten students attending Andover High and living at the Main Street residence. Since its inception in Andover in 1967, there have been 42 graduates of the program.

The concert dance was sponsored by the Gillette Company, Andover Manufacturing Center and the Sheraton Rolling Green Motor Inn. Also contributing to the success of the evening was The Continental Cow, The Butler's Pantry, Purity Supreme and Bay View Foods.

bonding.

Bowen felt this money could be used to at last begin on projects which would remove the barriers presented to handicapped.

Under more recent legislation, all new construction of public facilities must make provisions for the handicapped. Older structures are exempt under a grandfather clause in the new bylaws, but any addition or alteration of existing structures would require that the barriers be removed and provisions made for en-

trance and exit for the handicapped.

Bowen feels that the town should begin action now to provide for the removal of barriers to the handicapped.

# Shawsheen Project Near Ready

Development of the former Sacred Heart school into an apartment complex, is inching closer to reality, according to Annie C. Harris, vice president of Crowninshield Corp. of Peabody.

Ms. Harris said this week that the project to transform the former American Woolen Co., headquarters building and later the school complex, is very close to moving from the drawing board to construction phase.

She said the project may be ready to move ahead within the next few weeks.

The Peabody development firm is in the process now of co-ordinating the working drawing for the renovation of the building with the contractor, Zampell Brothers of Danvers.

Plans call for conversion of the building to 87 apartment units, with no more than 22 to be two-bedroom units. The exterior of the building will be unchanged. The remainder of the Sacred Heart property — play fields and the Cardinal Cushing gymnasium on Haverhill street — is to be acquired by the town under terms of the agreement reached between the town, Crowninshield and the Brothers of the Sacred Heart who closed the school due to declining enrollments, two years ago.

town appropriated some \$400,000 to upgrade primarily the electrical and plumbing facilities in the school, although some minor interior renovation work was done.

The building has been talked about from time to time as being used as a civic center, if abandoned as a school use, housing municipal and school offices within a single complex.

Use of the building for continued school use is also a part of considerations being made by the committee studying declining enrollments.

A further outline of the building's future is to be part of a meeting scheduled for next Wednesday at 7:30 p.m. in the school auditorium.

# Jubilee Year England

## The National Exhibition Centre

By Raymond B. DeRuisseau

It is called Europe's most modern exhibition center.

Opened in 1976, the National Exhibition Centre, like most everything new to be seen in Jubilee Britain, is on a grand scale. Set in a parkland, spacious interconnected halls and visitor accommodations in the form of restaurants, bars, rapid transit and the hotel complex which also serves as a conference center comprise an eye opening example of endeavor. Once again we saw careful planning exemplified. Consideration has been given to apparently all factors deemed desirable to insure the success of such an enterprise.

Birmingham is about midpoint from anywhere in Great Britain, except the Scottish Highlands. It is reached handily by inter-city rail, the motorway network and the air network. The Birmingham International railway station deposits one right into the Centre's core.

The seven exhibition halls cover 90,000 sq. meters and vary in size, the largest being cavernous, something on the order of the AstroDome though not so high in altitude. Parking lots abound, all regulated by automatically controlled gates. Shuttle buses operate from numbered parking areas to the center of the doings. All seems to have been thought out, accomplished and it cost a bundle.

How is all this working?

Of course, there was nothing at all going on in the Centre during our stay at the Metropole. It was somewhat depressing to see this vast establishment in practical idleness. The acres of parking spaces vacant. The smaller Warwick hotel unopened or unneeded as yet and the beautiful Metropole with its 500 rooms sparsely occupied. The 1977 and 1978 schedule of exhibitions lists a total of 35 planned shows.

This year, while we were there, nothing was slated for the entire month of July. That fact can probably be explained away because the Royal Agricultural Show, a super Iowa State Fair type show, in Kenilworth, Warwickshire nearby opened

on July 4th and would have conflicted with other events for attention. Additionally, Summer is not an ideal time for indoor events but the 'mortgage' goes on and on.

Not being versed in the field of tremendous undertakings of this sort, we accepted the hopes expressed for the success of this enterprise but with some guarded trepidation.

It was July and it was very warm. The hotel rooms were warm, though air-conditioning was supposedly part of the package. It was there indeed but it was not

connected. After a friendly approach, an assistant manager came to our room, removed a wall panel and plugged the cooler in for us. We asked ourselves why it didn't remain plugged in all the time since the systems are automatic. Economizing?

One Londoner we spoke to took a dim view of the whole thing. He told us that the auto show was held at the Centre last year but was coming back to London this year. "Who wants to go to Birmingham to see an auto show?", was the way he put it. Which auto show he was talking about we aren't certain for there is an International Motor Show schedule for the Centre in October of 1978.

Again it seemed Utopian. All very new, very well maintained and very costly.

A member of our party posed the question of idealistic planning. Was this built to satisfy a need or did it attempt, at great cost, to create a need? The questioner likened his view to a friend in the printing business who first bought a big press then went out looking for business to keep it running, which it must. The cart before the horse sort of thing.

One thing is certain, it is grand living. Everywhere the appointments are in superb taste and reflect a major league approach to bringing Continental and domestic exhibitions to Birmingham. They certainly have the facilities in spades.

## The New Coventry

From our central location in Birmingham, we fanned out to new experiences.

Our motorcoach took us to Coventry, a new Coventry and all were anxious to see this much discussed and well remembered city. Nowhere in Britain did anyone speak to us about the war unless asked. Self pity is not an English trait. But here is the city leveled by the Luftwaffe. No one of memory fails to recall the misery and hardships endured here in 1940, when thousands died.

It is a bright city now and immediately, as we wished and expected, we were driven to the famed Cathedral, the shell of the gutted old St. Michael's church and the adjacent and controversial new Cathedral designed by Sir Basil Spence. Our interest centered in the burnt out remains and we made our way inside the fire stained walls.

Reverence descends like a blanket as

one steps inside and the eye is immediately attracted to the famed charred cross on an altar in the nave. Behind the altar and below the blown out stained glass windows a simple statement is etched in the stone "Father Forgive". To the left of this most humbling scene is a plaque which states that the money for this altar was provided by German children. It is a sight that one does not readily forget.

We walked within the church toward the spire of St. Michael's which still stands and is presently being pointed up. Our only roof was the blue July sky. As we stood and looked up, it was difficult amid this serenity to envision Hermann Goering's minions wheeling about in the blackness in their Heinkels and Junkers raining death and destruction upon this hapless city and its Cathedral. But the tenor of activity tells clearly that that was yesterday. Today is the concern and things move apace.

The new Cathedral is controversial

because traditionalists sought the rebuilding of the original structure. Instead is a completely modernistic edifice with vast stained glass windows

stretching from ceiling to floor, an enormous tapestry in vivid fresh colors, "Christ in Glory" and "Christ Crucified".

# 'They're Together Even When Apart

By Rosalind MacLennan

Togetherness is part of their approach to life. Dan and Anita McDuffie, of Andover, are directing the North Shore Players musical comedy 'Anything Goes', to be presented Nov. 17, 18 and 19, at 8 p.m., at Hogan Regional Auditorium in Danvers.

Jobs, children and school activities, outside pressures, isolate many couples — Dan and Anita McDuffie who have three children decided they could be together in a common interest: Community theater.

Anita McDuffie started it all. A junior high music teacher in the Newton Schools, Anita became the Musical Director for 'Mame' presented by the Winthrop Playmakers in 1969. She convinced Dan that he should be in it, and he says now, "I've been hooked ever since." Their partnership began.

Together they appeared in shows presented by the Andover Garrett Players. Anita directed Dan in a show; then Dan directed Anita in another show. When they worked together they got along fine, they say, except that Anita asks with a smile: "Why was it when I gave other people directions they did it. You always asked 'why'?"

After that, there followed a period when they worked apart. Anita was always asked back by several different groups on the North Shore. She directed 'The Music Man' and 'The Man of La Mancha' for the Winthrop Playmakers. For the Colonial Chorus in Reading, she directed the music for 'Cabaret' and 'The Sound of Music'. Dan, who was a History and Economics teacher at Boston Technical High at that time, says, "I was always baby sitting." But, he adds that he didn't mind it because they always discussed the shows in which she was involved. It was his way of keeping in touch with theater. Dan felt he was a good "constructive critic."

Then Dan's turn came. He joined the North Shore Players, played the leads in 'How To Succeed Without Really Trying' and "Promises, Promises" and served as President of the Players for two years.

The North Shore Players brought Dan and Anita together again. In the show 'Applause', Dan played the lead and Anita directed the music. Now they are together again as co-directors for this season's musical comedy 'Anything Goes'.

The atmosphere in rehearsal is calm and productive. To watch Anita McDuffie work is to watch a cheerful perfectionist. "Come in with a strong attack!" she instructs the chorus. In Cole Porter's music

"you have to get the syncopation," she explains. After listening to the singers one thing is evident — Anita gets results. Her energy carries over to the cast. They work hard for her and seem inspired.

Soft spoken and easy going, Dan's style seems to agree with the cast too. The actors relax and open up. Confidence grows and the energy goes up. Dan stops an actor and explains that the characterization shouldn't be so broad, "not too much slapstick." Dan works with his people and successfully communicates what he wants with a quiet manner.

How do Dan and Anita do it, with a family of three children? Dan, now on leave from teaching, has a pressured job as the Fund Administrator for the Boston Teachers Union. A member of the National Guard, Dan s serves one weekend a month at the Air Force Base in Falmouth. Both say they are well organized. They write out their schedules and stick to them. "When the schedule gets tight, I don't sit back and scream," Dan says. "I take the pressure philosophically." Anita is an avowed tennis fanatic. She says laughingly that Dan wouldn't dare to change the rehearsal schedule. "It might conflict with one of my tennis days!"

"There's always time for what you love to do," Anita concludes. Dan organizes his people well. He doesn't like actors to sit around and wait, which can often happen with a big musical comedy cast. He schedules down to the half hour. People who are involved in a scene at 7:30 can leave at 9. This way the cast isn't tired by long, late rehearsals and Dan has time "to isolate and work on specifics."

According to Dan rehearsing this way doesn't destroy the spirit that comes from working together. The cast all come

together the last two weeks of rehearsal, "when we put the segments together," Dan explains.

Are Dan and Anita satisfied with the results they get from the Players? Without reservation both say "yes!" Both feel that the bad shows in community theater are the exception rather than the rule. "These people in the North Shore Players love what they are doing and that is communicated to the audience," Dan says. Also Anita feels that community theater makes a valuable contribution to American audiences. They get a chance to see older shows, American classics, not always done by professionals. For instance, 'Anything Goes' was last performed off-Broadway in 1962.

Both Dan and Anita McDuffie believe strongly in what they are doing. The salary which Dan will receive for directing 'Anything Goes', he plans to donate to the building fund for the North Shore Players. The Players hope to find a theater of their own someday. At present, they perform in local churches or regional auditoriums.

### The Language of Flowers

by Gerry Trull

Grow some tarragon for salads and to add a lovely licorice scent to poultry and fish sauces. It has a strong flavor, but tastes delicious and zippy. You must give this herb a little extra attention by allowing it a short rest each year and by dividing it periodically. Try the French tarragon plant which is easy to grow and lives a good long life. The Russian version has less flavor and aroma and is grown from seed. Just crush the leaves and you can tell the difference at once. This is a perennial that you can grow to add fresh spice to your table.

And add color to your dining table with flowers from **TRULL'S MILL HILL FLOWER CENTER**, 411 River Rd., 851-6161; whether it's everyday family dining or a special Thanksgiving dinner, we can create a floral arrangement that's just right for your needs and budget. Flowers also make a lovely and warmly appreciated hostess gift. Open: 9-5:30 Mon.-Sat.

# ACT Moves To "2nd Ave"

The husband-wife team of Edna and Mel Edison in Neil Simon's comedy hit "Prisoner of 2nd Ave.," will be played by a real life husband-wife team in the Andover Community Theatre production here next month.

Pam and John Palmer will star in the ACT presentation Dec. 2, 3, 9 and 10 at West Elementary School. Tickets are available from any member of ACT.

Pam, who teaches theater and speech at Pike School, recently received the best-supporting actress award at New England Theater competition at Brandeis University. John's most recent effort was directing the Garrett Players' "Man of La Mancha."

Sylvia Thayer, Pearl in the show, and a newcomer to Andover, has spent many years with theater groups in Connecticut and New Hampshire, including the Chase Barn Playhouse. Anne Ericson (Pauline) is director of student dramatics at North

Andover Middle School. She last appeared with ACT as Rebecca Nurse in "The Crucible."

Nona Winnick (Jessie) is a speech and theater graduate who has spent many years in all phases of theater in New York and Ohio, while Barry Bragen (Harry) last appeared in ACT's "Hollow Crown." He was active with various theater clubs while living in Europe.

## England

(Continued from Page 11)

It is spectacular and the epitome of modern craftsmanship, rivaling in its new way the work of medieval artisans.

Enbussing, we were off to see the town.

Bright new buildings, busy shopping malls, parks and everywhere activity. Then we saw her, Lady Godiva, Coventry's great lady. On a magnificent steed the comely lady's statue graces a park in

the center of the city. There was a stir of excitement among our crowd as word came down that we might see Lady Godiva ride if we hurried. Hurry we did.

In the square hard by her statue, at about second storey level, is a semi-circular stone shelf with a door to the right and left. At five minutes to the hour Lady Godiva on her horse comes slowly out the left hand door and circularly makes her way to the right hand door. At mid-point, several feet above the moving statue another small door pops open and the famous Peeping Tom gets his sneaky look at the naked woman. Fortunately we made it for one's visit to Coventry isn't complete without this ritual. It is likened to being in London without seeing the Changing of the Guard.

Following our eye-opening tour, IPSM members were guests of Lord Mayor Ralph Clews at a luncheon in the Guildhall of St. Mary where kings and queens have feasted. For 600 years Coventry mayors have been elected to their high office in this hall. We ate in the Crypt of St. Mary's Hall, splendor amid vaulted antiquity.

Mayor Clews is very witty and made everyone feel very much at home, chatting amiably. His invocation, though reverent, was tinged with his ready wit: "Dear Lord, we thank Thee for this bounty Thou has placed before us and we thank Thee also for giving us the ability to digest it."

A stoic, determined people unmindful of the diminished Empire and getting on with the job of living in today's reality. Here, risen from the ashes is this modern city bespeaking courage and that determination.

We were reminded by all we saw of a story remembered from the war years when things looked very grim for England. A chemist's shop windows had been blown out by a bomb explosion. On the boarded-up store front was posted a sign which read: "Bismuth as usual during alterations"! That spirit seems intact today.

Next day was Sunday and we were to visit one of the stately homes now open to the public. It was to be another of our impressive memories on which we report next.

## Assuming An Important Role In The Valley

Andover, for a change, has assumed an important role in regional planning as indicated by their offering to host a meeting of Merrimack Valley municipal officials on the subject of river cleanup.

For many years the town leadership expressed an attitude resembling isolationism in some cases with regard to regional planning, and probably rightly so.

But on the matter of what is termed 208 planning, which includes a major plan to free the Merrimack River and its environs of pollution, the town has wisely seen the fallacy of attempting to do the job with insufficient funds.

Andover has not been particularly thrilled with the 208 planning project from its inception over a year ago. Now, the Merrimack Valley Regional Planning Commission (MVRPC), is about to sign a contract with the federal government to initiate river cleanup planning for the paltry sum of \$34,000.

The scope of the river cleanup project goes beyond what Andover and its Greater Lawrence communities have already accomplished in establishing the Greater Lawrence Sanitary District and treatment plant.

It involves handling all matter which might contribute to pollution of the river, such as surface water runoff, harmful development of the overall river watershed area, etc.

To think that such planning can be accomplished for \$34,000 is absurd.

It is a task of major proportion and requires sufficient planning funds to accomplish.

While its worth as a study may be debated, the examination will be conducted because the federal

government mandates that it be done.

The Merrimack is considered by the federal government to be one of the ten major river basins in the country, yet, for that designation, those in Washington apparently do not consider it in such priority terms when handing out planning funds.

With that in mind, Acting Town Manager Sheldon S. Cohen suggested to selectmen a week ago that they call a meeting of all Merrimack Valley chief officials — that is elected or appointed heads of government, not representatives to a regional authority.

What is to be done at tonight's meeting is to determine if Andover stands alone in its thinking that the 208 river planning project is to important to be left to the MVRPC with its insufficient funding.

They will be asked if they would join in an appeal to the Environmental Protection Agency or other federal agency to provide the proper planning funds to do the job correctly.

This could possibly mean committing the participating towns and cities to share some of the funding.

Estimates at getting the job done properly are the \$700,000 to \$800,000 category — a far cry from the \$34,000 being given at the present time.

We are unaware of anyone who wants to undertake a major expenditure. But when a project becomes mandated, so to speak, it is best to proceed with an attitude of doing the job right or not at all.

This is what Andover has done in this case and we think it a wise and proper move — one which could in the long run prove to be economically beneficial in view of the magnitude of the work and planning to be accomplished.

### *In Ralph's Memory*

Mrs. Ralph Sharpe examines a print of a painting of old Ballardvale presented to the Vale library recently by the Ballardvale Community Association. Mrs. Sharpe has been librarian at the Ballardvale branch for many years and her husband, the late Ralph Sharpe, was popular figure in the community and was maintenance man for

the police department for many years. He had planned to have a copy made of the original which hangs in the Memorial Hall library. Following his death this year, the community association decided to have the print made and give it to the Ballardvale branch in his memory.

## WEEKLY SPECIAL

### Pacific Fleet in Poor Shape

by Jack Anderson  
with Joe Spear

WASHINGTON — The Pacific fleet, viewed from afar, is an imposing sight: hundreds of gleaming ships stretching from horizon to horizon, advancing in perfect order.

But up close, the Pacific fleet is less inspiring. Secret Navy documents warn, in fact, that it is in such poor shape it cannot "carry out its mission." The ships are rundown, undermanned and undergunned. They are in urgent need of repair and modernization.

Some are too old for combat. Others are unfit for service. Many are manned by crews that are ill-trained and wracked with dissension.

Commanders have put out to sea on special missions, designed to teach their crews how to survive a nuclear attack. Yet some of the ships were so dilapidated they could barely survive the trip out of the harbor.

The documents indicate that the carriers and submarines are in the best condition. Yet on one carrier, inspectors found cables loose, electrical circuits shorted, communications equipment malfunctioning, bathrooms dirty, toilets clogged and air conditioners broken.

Other documents cite deficiencies aboard nuclear submarines, which many military strategists regard as the nation's first line of defense. According to one report, the supply system for nuclear subs is "out of control."

Last year, cracks were detected in our billion-dollar Trident submarines, which won't even be out of the shipyards for several months. These are supposed to be the submarines of the future. They will cruise greater distances more silently than any submarines in the world. Each will also be able to launch 24 nuclear missiles at targets 4,000 miles away.

Yet magnetic inspection has detected at least 100 cracks in the first of the Trident subs. There is an old aphorism which states: "The Navy is a machine designed by geniuses to be run by idiots." The men who run the Navy, of course, are not idiots. They are people of normal ability and reasonable disposition. But the admirals have let the fleet deteriorate at

the same time that they have maintained their own comforts. They have recently cut down on the frills. Yet they seem to have no shortage of servants, no malfunctioning limousines, no broken-down armchairs. Only combat equipment seems to be neglected.

**Lethal Leakage:** Two years ago, we reported that trucks and trains were hauling lethal radioactive materials across the country. The dangerous materials were loaded in vulnerable casks, which were moved through densely populated areas.

The federal government even allowed the nuclear industry to fly deadly plutonium into New York's Kennedy airport. One of these nuclear-laden planes, if it should ever crash, could produce the greatest peacetime disaster in history.

Now we've learned that trucks, carrying radioactive cargo, have been involved in traffic accidents. There have been other incidents of radioactive leakage along the highways.

Congressional investigators have discovered a startling 118 highway incidents during the 1971-76 period. Accidents caused some radioactive spillage. Faulty packaging and careless handling caused still more radioactive leakage.

New York City passed a law, meanwhile, banning radioactive cargo from its streets. Now, the Transportation Department may overrule the city.

This has upset Rep. Ben-

jamin Rosenthal, D-N.Y. His investigators have been checking into past accidents. They learned, for example, that a truck loaded with radioactive materials crashed in a sparsely populated area back in December 1973. The police halted traffic for 20 miles.

A similar accident on the Long Island Expressway, for example, would cause the greatest traffic jam in history. Environmentalists also warn that such an accident would make a large area of New York City uninhabitable.

**Coffee Caper, Cont.:** Americans haven't heard the last of the great coffee caper. It's true that coffee prices have declined slightly since June. But consumers are still paying almost triple the price of two years ago.

Government investigators told us the coffee crisis was a phony. Coffee-producing nations simply hoarded coffee stocks to drive up prices. Rep. Fred Richmond, D-N.Y., has accused the State Department of conspiring with Brazil. He claims the department wanted Brazil to earn big coffee profits to pay its oil bills.

But the coffee squeeze may wind up hurting Brazil's own economy. Coffee dealers are now looking elsewhere for their coffee. Other nations, such as India and Indonesia, may jump into the world coffee competition.

The coffee-hoarding tactics, therefore, may backfire against Brazil.

# Down The Years With The Townsman

THE TOWNSMAN, NOVEMBER 10, 1977

## 75 Years Ago — November, 1902

The electric railroad lines opened this morning between Andover and North Andover on the Haverhill—Andover road. Passengers can now travel easily between the towns as well as make connections to Boston.

There is currently some talk about having an electric arrangement at the rear of Punchard which would allow for football practice and other activities. It would be a good arrangement, rather than the present use of the streets at night by the athletes.

Walter Rhodes has discontinued the sale of cigars and tobacco products at his store and henceforth will do a lunch business to include sandwiches, hot dogs, oysters, raw, stewed or in crumbs, with the possible extension of the menu at a later date.

## Fire Log

The Andover Fire Department responded to the following alarms between Nov. 1 and Nov. 7, 1977.

Nov. 3 — 45 Gradall Lane, Thomas Ferris, wood chipper fire. River Road near St. Francis, David Powierza, car fire. Rte. 93 & Rt. 125, Comm. of Mass. brush fire. Lowell Jct. Rd., Mr. John Thomson, Jr., house fire. Off Shawsheen Rd., Town of And., false alarm.

Nov. 4 — Center St., J.J. Cronin, brush fire. Lowell & Canterbury St., false alarm.

Nov. 5 — 89 Morton St., Academy Nursing Home, over heated elect. 63 Andover St. Richard Bartkus, gas washdown. Off Dale St., fire in front end loader.

Nov. 6 — Lowell St., I.R.S., faulty alarm. Barnard St., Phinneys TV, leaves fire.

The Andover Fire Department ambulance responded to 15 calls during this period.

E. W. Hall of Waltham is in town again this week. Mr. Hall, who reinstalled the organ at South church following the fire two years ago, is currently engaged in putting the St. Augustine's organ in place.

The town hall, which has been closed for renovations, is planned to be reopened with festivities on Nov. 24 or 25, with a reception, dramatic and musical entertainment followed by dancing.

## 50 Years Ago — November, 1927

Joseph C. Kimball of Andover resigned this past week as president of both the Associated Industries of Massachusetts and the New England Council.

Patrick J. Scott, widely known resident of Ballardvale and Andover has flatly denied a report that he will seek the vacancy on the board of selectmen at the town election.

Mr. and Mrs. Ernest C. Edmands of Carmel Road, received word this week that Mr. Edmands' brother Ellis L. Edmands and his family of Rochester, Vermont, are safe and unharmed by the disastrous floods which have struck the state.

An alarm from Box 64, Haverhill and Enormoe streets, Saturday at 5:30 p.m. resulted in the fire department making their first response to an alarm since July 30. The fire was in a home owned by American Woolen Company and was soon quenched on the arrival of the firefighters, anxious to display the fact they had not forgotten the rigors of their duties.

Marcus M. Hill of Walnut Avenue has returned home after being marooned for two days in Dublin, N.H. due to the flood damage there.

## 25 Years Ago — November, 1952

Andover banks this week issued Christmas club checks totaling \$252,577.

Bob Kiputh will head a group of swimmers who represented the United States at the 1952 olympics at a special demonstration at the Phillips Academy pool Friday night. The program is part of the "Know Your Sports" course in the evening study program.

The selectmen this week decided to reject bids for painting the town infirmary, feeling that the work should be put off until the spring anyway.

Total of all building permits issued during the month of October was \$202,575, which is considerably higher than those issued during a similar period a year ago.

Snowstorms on Saturday and Sunday caused some traffic problems with the temperatures at the freezing mark and offered foreboding signs of winter.

## 10 Years Ago — November, 1967

A special study committee on

enrollments estimates that 1,677 pupils will fill the town's elementary schools by 1972.

By a three-two vote of the selectmen Monday night, approval was given to the revised plans for a combined police fire station on the former Tyer Rubber Co. property on North Main street.

Newly elected State Representative Paul W. Cronin informs selectmen that

repaving work on South Main street will get underway soon. The project has been lying idle for some time.

John J. Boyle of Beverly, English teacher at Andover High school, was re-elected a member of the school committee in his home community this week.

The committee to examine school construction costs, reports that Andover does not pay any more than other communities in construction of new educational plants.

## 'Cuckoo's Nest' Is Chosen

In January, the Garrett Players will, for the first time, revive one of their past productions.

"One Flew Over the Cuckoo's Nest" will open at the Playhouse in the Bavarian Hall, 41 Knox St., Lawrence, on Jan. 20 and run for three weekends.

"Cuckoo's Nest" was chosen when it became clear that "Equus", their originally scheduled show, would not be released due to professional commitments.

The Garrett first presented "Cuckoo's Nest" in January, 1975 and played each night to capacity houses. The group is confident that it will do as well on the "second time around".

Steve Kimball has been chosen to direct the play, which is being produced by Peggy Murphy and is under the technical supervision of Gary T. Keating. Auditions will be held on Nov. 14 and 15 at 7:30 p.m.

# Redskins Sweep Junior Grid Title

By Rick Harrison and Don Kramer

The champion West Andover Redskins completed a perfect 5-0-0 season, although surrendering their first and only touchdown of the year, and Chris Coots locked up the individual scoring title to highlight the final weekend of action in the Andover Junior Football League.

Coach Joe Tisbert's Redskins belted the Central Colts 27-6 in their finale last Sunday at the East Junior High Playstead Field, while the Bancroft Dolphins thumped the Shawsheen Patriots 32-13 and the Indian Ridge Vikings nudged the Ballardvale Browns, 7-6.

The Dolphins completed their best season ever, placing second with a 3-1-1 ledger, while the Vikes grabbed third at 3-2-0.

Coots, who finished the season with a rush, notched his seventh TD this past week to close with 42 total points.

## Redskins, 27-6

West Andover, in handing the 1976 champion Colts their second successive loss after an eight-game undefeated string (7-0-1), took the opening kickoff and mov-

ed for three first downs before QB Jim Terrion combined with Barney Ahouse on a 30 yard pass-and-run TD play.

Mark Jensen added the conversion on a pass from Terrion, as the Skins took a 7-0 first quarter advantage.

In the second period West Andover was on the move again when Central's Steve Green intercepted a pass and raced 50 yards to paydirt. This touchdown sliced the gap to 7-6.

It was the first six-pointer allowed by the Skins after four straight shutouts, but the West Andover defense wasn't responsible and so finished the year without surrendering a single point.

The Redskins, only fired more by the Colts' tally, got moving once again behind the strong running of Mark Jensen. He sprinted 20 yards for a key first down, then bucked the final three to paydirt to jump the score to 13-6.

The Colts took the subsequent kickoff and fumbled. West Andover switched to its air attack, bringing the ball down close on a 30 yard halfback option aerial from Jensen to Robbie Slayton. Terrion then pitched the scoring toss to Phil Puccia, his

second seasonal TD.

Jensen banged over for the conversion, his 21st point of the year, and the Skins left at halftime atop a 20-6 lead.

In the third quarter the Redskins' "B" team held the Colts and then moved for the final TD of the game. Roger Fitzgerald bolted 10 yards for the score, his first of the year, and Robbie Harrison tacked on the PAT on a quarterback keeper.

The remainder of the game featured excellent defense both ways.

The West Andover defense was sparked by Mark Jensen (5 tackles), Terry Flynn, Jim Kelleher, Robbie Slayton, Eric Wragg, Pete Ouellette, Phil Puccia, John Olesen and Richard Dunn.

Leading the Colts' stop squad were Bernie Kavanagh (5 tackles), J. B. Fitzgerald, Harold Whitworth, Jim Page, Mike Lucey, Steve Green, Steve Stark, Joel Hughes, Bryan Looney, Jerry Fox, Tim O'Shea and Dave Petrella.

## Dolphins, 32-13

The first period gave no indication of what was ahead, as the Bancroft and Shawsheen elevens struggled to a

scoreless standoff.

As the second quarter started the Dolphins drove for a first down, and then Joe Keefe broke off tackle for a 36 yard touchdown jaunt.

The Pats failed to move on their next possession, and the Dolphins quickly picked up a pair of first downs before Mark Walsh knifed two yards to paydirt on a QB keeper. Walsh rushed the conversion and the Bancroft crew led 13-0 at intermission.

Bob Stabile pumped new life in the Patriots with an electrifying 70 yard kickoff return to open the second half. Stabile was hit at his own 30 and appeared to be stopped, but he broke away and hot-footed it the distance.

Mark Grams added the extra point and the Bancroft lead had quickly shrunk to 13-7.

The Dolphins struck back in rapid order, however, as Chris Scarpa ran 15 yards to set up the tally and Chris Cormier took the ball the final 25 yards on a well-executed end-around.

On the first play of the next Dolphin possession, Scarpa cut off tackle and jettied 52 yards for his third seasonal touchdown. Ralph Dellatto's conversion rush boosted the lead to 26-7.

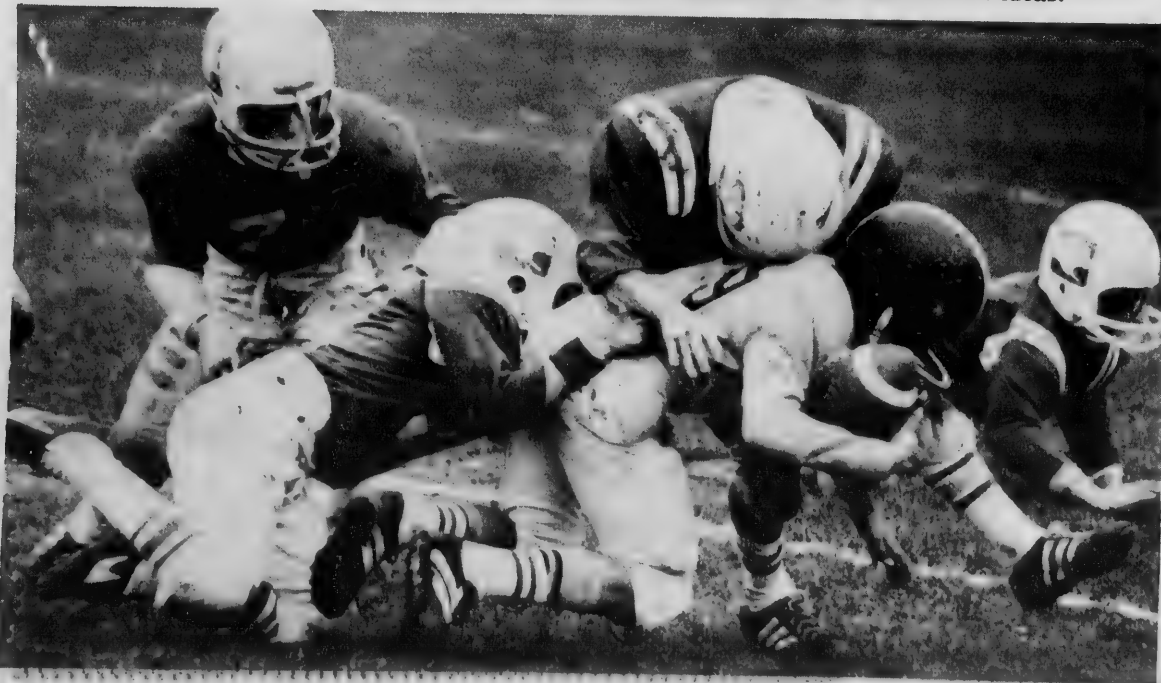

Early in the fourth period, a flat pass to Bancroft's Rich Travis covered 35 yards before Robbie Calder made the stop. Mark Walsh scored his second touchdown of the game moments later on a one yard plunge.

Shawsheen's Terry Rourke closed out

Bobby Stabile of the Shawsheen Patriots was doing pretty well in the Sunday afternoon junior football season windup, until he ran into Chris Scarpa of the Bancroft Dolphins.

#### Vikings, 7-6

The Vikings ended the season strongly, scoring in the first quarter against the Browns and making it stand up for the victory.

Ballardvale received the opening kickoff but couldn't move.

The Vikes got on the board abruptly when scoring king Chris Coots carried for 12 and 15 yards, then scored by making a spectacular catch of an E. J. Perry pass in the endzone.

Scott Zimmerman added what proved to be the all-important game-winning PAT, skirting the right side on the end-around for his second conversion of the season.

The Indian Ridgers, clinging to that 7-0 edge, were moving in the second period when a 25 yard scamper by Coots was whistled back by a peanlty. The Vikes then fumbled, and both clubs bogged down for the rest of the half.

Shortly after IR received the second half kickoff, the Browns' Neil Robinson intercepted a pass.

Wayne Giles picked up 15 yards on an end-around, Robinson plowed 25 yards, and Giles took it over on another end-around.

The try for the tying conversion was stuffed, and the third quarter ended with the Vikings protecting their slim 7-6 advantage.

The fourth period produced some outstanding defense and no serious threats either way.

The Indian Ridge defense was spearheaded by Dave Kirkland, Tim Moynihan, Tom Duncan, Shane Smith, Scott Zimmerman, Tom Powers, Gerry Ahern, Mike Redgate, Todd Sleath, Billy Vickers, Wayne Carver, John Young, Charlie Ziegenbein, Ed Melia, Bob French and Danny Poore.

Bulwarking the Browns' defense were Gabriel Cordouez (5 tackles), Chris Wilson, Chris O'Reilly, Steve Blair, Bob Sharpe, Mike Darwin, Dave Ouellette, Frank DePiano, Eric DeLoury, Barry Moore and Wayne Giles.

# Warriors Lose Top Slot To Chelmsford

By Lyn Stalter

Andover High's Golden Warriors hadn't expected Saturday's contest with Chelmsford to be an easy one, but they also hadn't expected it to virtually knock them out of the race for the Merrimack Valley League crown.

Coach Dick Collins called it an out and out "good licking" and said Andover was simply outplayed by a better team.

The 26-7 Chelmsford win puts that team in a tie with Dracut for first in the Merrimack Valley. Both teams have 6-1 records while Andover is 5-2.

The Warriors offense just never seemed to get going against a strong Chelmsford line and they were usually deep in Chelmsford territory when they managed to get the ball at all.

Then there were the costly turnovers that opportunistic Chelmsford managed to take advantage of.

The first break for the Lions came early in the first quarter, when Kevin Powers recovered a fumble at the eight-yard line. Joe Gamache charged over for the touchdown with 6:45 remaining, and Craig

Homeko added the extra point.

In its next series, Chelmsford gave Andover a chance, fumbling away the ball at the Warrior 21 after a 10-play drive. The Warriors followed with a 10-play act of their own, led spirited by a 15-yard Ray Lynch run and a 17-yard pass from Quarterback Dan Welch to favorite receiver Paul Farnham. But they ran out of downs at the Chelmsford 30.

A punt and spearing penalty provided the next break for Chelmsford, — a first down at the Andover 30 — and Quarterback Kevin Attar heaved a 19-yard touchdown pass to Peter Lindholm. The kick was wide, but the Lions led at the half, 13-0.

Andover received the second half kickoff, but Homenko intercepted an Andover pass to put Chelmsford back in business at their own 42. After two losing plays and a first down, Attar kept the ball, sliced through the line and sped 39 yards for a TD. The conversion pass failed but they still had a commanding 19-0 lead with 7:29 left in the third quarter.

Andover's next drive was stalled on the

Chelmsford 29, and then the fourth quarter produced a fourth break for the Lions. Chip Drapeau returned a punt all the way to the Andover 26, and eight plays later, Joe Sullivan scored on a two-yard run. Homenko added the point after.

Andover's Welch hit Farnham with a 13-yard, first-down pass, but the ball squirted loose and Chelmsford recovered. On the next play, the Lions' Sullivan lost the ball and Mike Starr pounced on it. That started a drive that led to the Chelmsford 28, but Welch, after a 12-yard keeper fumbled, and Tom Diamond recovered for the

Lions.

With only 3:14 left in the game, Welch started a drive on Andover's own 37. He shot a 29-yard pass to Joe Terrior and a 36-yard pass to Paul Farnham, putting them at the Chelmsford three. Welch rushed in for the touchdown and Silva added the extra point.

Welch was eight for 21 for the day, passing for a total of 130 yards. Chelmsford's Sullivan led all rushers with 80 yards in 22 carries.

The Warriors host Dracut Saturday, while Chelmsford plays at Methuen.

## Basketball To Begin

The Andover-North Andover Y.M.C.A. will open its Y.B.A. season with the "first whistle" on Nov. 12, 12:30 p.m. at the 165 Haverhill St. facility.

The first session is open to all boys and girls in grades 3-12 and interested parents. All individuals enrolled in the program (Brook St. & Haverhill St. enrollees) should attend the "first whistle." Also, any boys and girls who are not enrolled, but interested in obtaining more information concerning the Y.B.A. may attend as a guest and registrations will still be accepted on the 12th (final day for enrollment). The "first whistle" will include the following: a film on Y.B.A., an explanation of the philosophy of Y.B.A., fair play discussion, and the pre-season practice schedule. No gym apparel is necessary for this first meeting.

Come and join this national basketball program which emphasizes fun, fitness, skills, teamwork, fairplay and participation.

## Scores Winner

Bill Bradford of Andover scored his second game-winning goal for Bates College last week, as the soccer team evened its record with a 2-1 victory over Colby College. Bradford is a sophomore.

The word "rascal" originally meant a thin deer, hardly worth hunting.

## A YBL Tryouts

The Andover Youth Basketball League will conduct two tryout sessions next week for players ages 9 thru 12. All players in these age groups must attend one session and may attend both. Any player who missed this week's registration may register at either tryout.

Tryouts are for team selection purposes only. Every player is assigned to a team — there are no "cuts" in the AYBL. Players must wear sneakers, shorts and T-shirt to the tryouts which will be held at the WJHS

gym next Wed., Nov. 16 and Sat., Nov. 19. Wednesday's schedule: 9 yr. olds — 6 p.m., 10 yr. olds — 6:45 p.m., 11 yr. olds — 7:30 p.m. and 12 yr. olds — 8:15 p.m.

Saturday's schedule: 9 yr. olds — 9 a.m., 10 yr. olds — 9:45 a.m., 11 yr. olds — 10:30 a.m. and 12 yr. olds — 11:15 a.m.

The Senior Division, players ages 13 thru 15, tryouts are scheduled for Nov. 30 and Dec. 3.

Any persons interested in coaching this season should contact Neil Zimmerman, 13 Blook Road, by this weekend.

For Andover to maintain the service as prescribed by Trombly and Arthur Gaudette of the bus firm, it would require joining the transit authority which the town has objected to from its inception a couple of years ago.

Selectmen at that time rejected the regional plan, based on the unclear status of liability incurred by participating communities in the bonded indebtedness incurred by the authority, as well as the manner of apportioning the deficits incurred by the authority or specific carrier.

Shultz explained that the regional authority was prepared to assist the Trombly firm in continuing the service for those who joined and indicated that Methuen and Lawrence were leaning toward membership. Lawrence has already authorized the firm to contract with the authority on a short term basis.

Shultz also noted that the regional authority is currently working on plans to provide service for elderly and handicapped in participating towns and cities, as well as reinstituting commuter train service to Boston. The train service

(Continued on Page 52)

## Bus Service Threatened

Continued local bus service would appear to be in jeopardy unless Andover joins a regional transit authority or approves subsidizing the Trombly Bus Service.

Selectmen met with officials of the bus company and William Shultz, director of the Merrimack Valley Regional Transit Authority Monday night to hear about plans to maintain the local bus runs through some sort of subsidy plan.

James Trombly and Arthur Gaudette of the bus company explained that the Greater Lawrence runs operated by the company are a losing proposition financially. Trombly said the local runs had operated at a loss since the company took them over in 1969.

The commuter runs to Boston are profitable but the company can no longer subsidize the local operation from the Boston service.

As for the Andover runs, Trombly said it requires \$125. a day to operate and the firm is now receiving only about \$20 per day.

A survey taken last week indicated that there were 171 patrons using the bus over a three day period — Thursday to Saturday.

# Booters Close Successful Season

35

THE TOWNSMAN, NOVEMBER 10, 1977

By Rick Harrison

The Andover High soccer team concluded its regular season on a high note last Friday, blasting St. John's Prep 7-2 at the Warriors' pitch, but the 1977 campaign came to an abrupt halt Monday afternoon when AHS dropped a 3-0 decision to strong Brockton High in the opening round of the single-elimination Eastern Mass. Tournament (Division I).

Coach Dave Amundsen's booters thus completed one of the most successful seasons in the school's history.

Andover, by capturing its last four Merrimack Valley Conference starts in succession, nailed down third place in the MVC with a 9-2-5 record for 23 points.

The locals were not far from champion Billerica, 13-1-2 for 28 points, and runner-up Wilmington at 12-3-1 for 25 points.

The Warriors were a mere two goals away from an undefeated regular season, as the only two losses were heartbreakers against Wilmington, 2-1, and Billerica 1-0 with 15 seconds to play in the 72-minute game.

After experiencing some scoring difficulties halfway through the year, AHS erupted for 16 goals in its final four games to emerge as the highest scoring club in the Conference with 40 goals.

Goalies A. J. DeFusco and Chuck Ness also posted the second best average in the league, allowing only 17 goals in 16 games for a combined mark of 1.06. Billerica was No. 1 by a mile, permitting only five goals.

Senior Dave Farrell, finishing the year with a rush, placed second in the Conference's individual scoring race with 14 goals, five assists and 19 points.

The point king was Wilmington's Dave Sousa with a league record 29 points on 20 goals and nine assists.

Rich O'Hara, Pete Chiklis and Dave Yates also placed among the top 15 scorers. O'Hara was tied for sixth with 5-7-12, Chiklis was tied for 13th at 6-2-8, and Yates was also knotted for 13th at 5-3-0.

"It was an excellent season," agreed Amundsen. "We really didn't deserve to finish first because we had too many ties and couldn't beat the clubs ahead of us in the standings."

"We are graduating a lot of good players, but we have an excellent group returning next season as well," continued Amundsen. "The front line of Dave Yates, Rusty Serbagi and Tom Keefe should rate with the best in the Conference."

"With the program we have going at the younger levels we should be competitive every season from this point on," added the AHS skipper.

Andover, 7-2  
Dave Farrell and Dave Yates netted a pair of goals apiece to power the Golden

Warriors' biggest offensive outburst of the season, marking the finale against St. John's Prep.

"Everything was working for us as it should have the first time we played St. John's," explained Amundsen, referring to a disappointing scoreless tie the rivals struggled to at the Eagles' Danvers campus.

"Our passing was really the key to the big score. People were looking up and passing off like they're supposed to in every game," stated the coach.

Andover bolted to a quick 2-0 lead as Pete "Kamikaze" Chiklis scored from Farrell at 1:30, and Farrell converted a pass from Co-Capt. Dave Johnson at 6:00 of the first stanza.

Bill Doyle closed the gap at the 12:00 mark, spoiling goalie Chuck Ness' shutout bid, but O'Hara retaliated at 4:00 of the second session from center-halfback George Donovan for a 3-1 halftime bulge.

The Golden Warriors really blew things wide open with three unanswered goals during a seven minute stretch in the third frame.

Johnson, Yates and Farrell were the marksmen, while the assists went to Rich O'Hara, Farrell and junior Eric Brandt respectively.

Dave Yates completed the onslaught a mere 20 seconds into the fourth period, jumping the gap to 7-1, and Rich Martin polished off the attack less than two minutes later for the Eagles.

Andover emerged from the game healthy, although there was a scare in the closing minutes when Ness got the wind knocked out of him.

The game was finished in near darkness. Andover outshot St. John's by a cavernous 31-9 margin, as Ness made seven saves and Eagles' pinstriped goalie John Civiello had 24 stops.

Amundsen also lauded the work of right fullback Neil Faigel, center-halfback and Co-Capt. Tony Cammarata, sophomore Steve Luby and Mike Silverman in the contest.

## Brockton, 3-0

Brockton, a Suburban League power and the largest high school in Massachusetts population-wise, entered the Eastern Mass. Tournament seeded No. 13 and

owner of an impressive 10-1-5 record.

Andover, seeded No. 20, bowed out with a 9-3-5 final record after the 3-0 whitewash at the neutral Needham High pitch.

"If there is such a thing as a good loss... this was it," offered Amundsen. "We were not outclassed or blown off the field. We showed pretty well and left the field with respect. It was a good, clean game on both sides. We gave them a tussle and they knew it."

"We pressured them pretty well in a scoreless first period, helped a bit by the fact a brisk wind was at our back. Their goalie bobbled three of our shots, but once we fired the rebound right into his hands and twice they cleared the ball after a scramble," advised Amundsen.

"They played a much calmer game than we did. We seemed to be trying too hard, and consequently our kids were all over the field. It took its toll late in the game because we played tired."

"Brockton played much better position soccer, and they used a sweeper which we don't see much of in our Conference," explained Amundsen. "It allowed them to keep us out from around the net pretty well, and let them ball control."

"They play in a tougher overall league, their skills were a bit more developed than ours because they've had a full program longer, and their kids were physically big. The goalie went 6'6" and was certainly no beanpole," declared Amundsen.

The score was only 1-0 at halftime, as Oscar Gomes stole the ball from an Andover fullback and scored in the second period.

"It was our one mistake the entire game in the penalty area, and they capitalized on it," lamented Amundsen.

The Golden Warriors' chances were hurt considerably when Dave Farrell sprained an ankle just prior to halftime, and then

George Donovan suffered a similar injury early in the third period.

"Both kids came out briefly and tried to walk off the injury," noted Amundsen. "They wanted to go back in very badly, so I let them try it, but in the end it wasn't worth taking the chance of a more serious and permanent injury."

"With Gary Cohen out (broken wrist) we had no adequate replacement for Farrell, Gary would have helped by giving Farrell a rest. Just his (Cohen's) size in there was needed, plus the fact he uses his head well."

Brockton, wearing the Warriors down, finally put the game out of reach with two fourth period goals in the closing eight minutes of play.

Brockton only outshot Andover 19-15.

Amundsen lauded the efforts of Carl Gutermann, sophomore Bob Wilkins, Russ Serbagi at right wing, Dave Johnson at right halfback, Dave Farrell, Pete Chiklis and goalie Chuck Ness (16 saves).

## Billerica Wins

Billerica passed its first tourney test, blanking Falmouth High 2-0 in Division I action Monday at Babson College. The Indians were listed to face Arlington High this afternoon at Duxbury High.

Wilmington, meanwhile, is in Division II and launched tourney play yesterday, after TOWNSMAN presstime, against undefeated Foxboro High (12-0-2) at Foxboro.

# On The Soccer Fields

by She Livermore

The Andover Soccer League's fall program ended last weekend and the players can now put away their boots until the Spring! Many people contributed their time and talent to make the program as successful as it was: Jim DiClemente, overall coordinator; Dick Vallee, referees; Al Ober, scheduling; Ralph Luby, equipment; David Amundsen, consultant; the Andover High Varsity and Junior High Varsity soccer teams players who gave up their weekends to referee the games; the Coaches and Assistant Coaches; the representatives on each team who diligently recorded each game; the parents who attended the games and encouraged their offspring to learn the skills; and, of course, the players themselves who played the games, sometimes under very unfavorable weather conditions!

A brief summary of this week's games follows, as well as the final standings.

## Junior Division:

### Cosmos 7 WhiteCaps 1

The Cosmos came on strong in their game against the WhiteCaps and despite some fine footwork by the WhiteCaps players, were able to boot in seven goals for the win. The Cosmos goals were scored by Chris Sapuppo (3) who holds the league record for number of goals scored (19), Mark Neaves (3) who has a total of 18 for the season, and Matthew Dellacroce, whilst Andy Lascher booted in the WhiteCaps goal. Fine performances turned in by Matthew Alden, David Penney, David Flanders and Alice Neaves of the Cosmos, as well as Scott Plamondon, Caroline Pool, David Orrick and Marty Schmidt of the WhiteCaps.

### Aztecs 3 Metros 0

### Aztecs 10 Sounders 0

The Aztecs were the victors in both games played over the weekend. The Metros and the Sounders played great games a but the Aztecs players were more successful at scoring goals. Scoring for the Aztecs were Jamie O'Brien (4), Ronnie Forbes (2), Chris DiClemente (2), Dana Forbes, Steven Mencis, Kyle McCabe, Shawn Ferris and Matthew Corbett. Fine performances turned in by John Driscoll, James Pathiakis, Deniece Lenick, Mark Kubis, Eric Jedrzejek, Larry Lenick and Kathy O'Brien of the Aztecs, as well as Jean Powers and the entire Metros team.

### WhiteCaps 5 BiCentennials 0

### Bicentennials 0 Sounders 0

The WhiteCaps dominated the game they played against the BiCentennials, although the BiCentennials certainly fought hard for possession of the ball. When the BiCentennials played against the Sounders the following day, they demonstrated the same fine soccer skills which resulted in a scoreless game. The WhiteCaps goals were booted in by Stephen Redgate, Scott Plamondon, Richard Bordelais, Jim Sullivan and Andy Lascher. Finer performances turned in by Todd O'Brien, Stephen Prochniak, Mark Tucker, Robbie Finneran, Matthew Abernathy and Mark Angelos, as well as L. Lussier of the Bicentennials, whilst the WhiteCaps and Sounders teams players all played a great game.

## Intermediate Division:

### Lancers 2 Rowdies 1

The Lancers played their best game of the season against the Rowdies, who with a win would have captured first place in the standings. The Rowdies played a good game but in the final analysis the Lancers booted in the extra goal. The Lancers goals were booted in by Kelly Strong and John Crawford (indirect penalty kick), whilst Fran Sullivan scored his sixteenth goal of the season for the Rowdies! Fine performances turned in by John Crawford, Mark Asgeirson, Ron Peck and Dot Sorrie of the Lancers, as well as Ted McEnroe of the Rowdies.

### Tornadoes 6 Kicks 1

The Tornadoes dominated the game they played against the Kicks and in winning actually cinched first place in the standings. The Kicks players played a great game but the Tornadoes players made an all out effort to score goals, successfully. The Tornadoes goals were booted in by Zack Apgar (4) who has a total of 18 for the season, Gage Perry and Mark Balkwin, whilst Fred Kratz scored for the Kicks. Fine performances turned in by Steve Colitz, Rick Starkweather, Tom Clark and Eileen Novelline of the

Tornadoes, as well as Robert Dziadosz, Tom DeLeire, Fred Kratz and Bob Hoyt of the Kicks.

### Timbers 4 Lancers 2

The Timbers in a re-match with the Lancers played a much stronger game, which resulted in them winning the points. The Timbers goals were booted in by John Drake, Glenn Livermore (banana kick from a corner!), Shannon McCabe and Eric Neyman, whilst David Keene and John Crawford (penalty goal kick) scored for the Lancers. Fine performances turned in by Bob Najjar and the entire Timbers team. Following the game, the Lancers players challenged their parents to a match; final results were not available!

## Senior Division:

### Strikers 2 Quicksilvers 1

The Strikers played against the Quicksilvers in a game which saw few goals but plenty of action. The Strikers were the victors, indeed they won first place in the standings. The Strikers goals were booted in by John O'Neil and Brian McGettrick. Fine performances were turned in by Dave Donovan, Frank Drake and Sheila Holt of the Strikers, as well as

Dave Tremblay, Derek Schmitske, Dan O'Hara and Ann Dellis of the Quicksilvers.

### Stings 5 Earthquakes 0

The Earthquakes could not seem to put it together in their game against the Stings who dominated the play throughout. The Stings goals were booted in by Danny Kimball (3), Peter Bradford and Mike Franz. Fine performances were turned in by Danny Kimball and Phyllis Healey of the Stings.

### Quicksilvers 1 Earthquakes 0

The Earthquakes played a much stronger game on Sunday against the Quicksilvers and whilst they did not score any goals, they certainly demonstrated some fine soccer skills. The Quicksilvers won the points when Paul Thoday booted one into the nets. Fine performances were turned in by Tom Kinsky and Matt O'Hara of the Quicksilvers, as well as the entire Earthquakes team.

### Andover Strikers 2 Merrimack, Mass. 2

A team from Merrimack, Mass. challenged the winners of the Senior Division to a game on Sunday. Both teams played very well and the game ended in a

The AHS Girls Swim Team ended its regular season with meets against Haverhill, Belmont and Billerica.

The Haverhill meet turned out to be a real nail biter. Everything came down to the final relay and Andover had to take a first place to win. Anne Hart, Katie Scanlon, Patti Pelc and Linda Fitzgerald swam like there was no tomorrow and ended up a full second ahead of a tough Haverhill team. Andover came out on top 89 to 84.

Clendaniel, B. Pelc, Jensen and Scanlon started things off by placing 2nd in the 200 medley relay in 2:13.12. Then Linda Fitzgerald continued her winning ways by capturing a 1st in the 200 free in 2:12.58. Teamates Hanawalt and Clendaniel took

4th and 5th respectively. Linda Jensen won the 200 I.M. in 2:35.4 with Anne Hart coming in a whisker behind. Anne Kleschinsky took a 5th. Patti Pelc continued to dominate the sprints by taking the 50 free in 27.5. Johnson came in 3rd and B. Pelc, 5th. In the diving Mary Ellen Wesson took 3rd and Dottie Mellet 4th. Anne Hart took the 100 fly in 1:12.14 and Scanlon came in 4th. In the 100 free Patti Pelc came out on top again winning that race in 1:00.9. Jill Kennedy took a 5th. In the 500 free, Clendaniel came in 2nd in 6:11.9 and Hanawalt 3rd. Linda Fitzgerald got a double win by taking the 100 back in 1:10.2. Johnson came in 3rd and Kennedy 5th. Beth Pelc dominated the 100 breast in 1:20.1 and Kleschinsky took 4th. The score up to this point was Haverhill 80, Andover 79. The next and final event was the 40 free relay. Needless to say you know how the Warriors came through. The "capper" on this meet was the other relay team of Jensen, Colpitts, Hanawalt, and M.E. Wesson who put in a hard fought third. This particular meet was a full team effort all the way.

The meet against Belmont didn't turn out quite so well. Belmont had an extremely strong team and was just too much for the Warriors. Belmont came out on top 106 to 65. Andover's lone first place came from Linda Fitzgerald in the 100 back. She took that event in 1:10.9.

Andover's last meet with Billerica ended on a good note. Andover won 94 to 77. The 200 medley relay team took 1st and

2nd. Linda Fitzgerald took the 200 free in 2:09 with Gall and Colpitts coming in 2nd and 3rd respectively. Anne Hart took the 200 I.M. in 2:41. B. Pelc was 2nd and Kleschinsky 4th. Gall took 2nd in the 50 free and Gruen 5th. M. E. Wesson was 2nd in diving and Coots 3rd. Jill Kennedy was also diving well for Andover, but she injured herself during one of her dives and had to withdraw from the competition. What could have been a serious accident fortunately turned out to be only a bruised shoulder. In the 100 fly Scanlon took 2nd and Clendaniel 3rd. Linda Jensen won the 100 free in 1:02, with Mellet coming in 3rd and Bornemisza 4th. In the 500 free Eileen Hannawalt won in 6:34.1. Lindholm took 3rd and Mattson 4th. Dale Johnson came through with a strong win in the 100 back in 1:16.7. Coots came in 4th and McLarney 5th. In the 100 breast Anne Kleschinsky was 1st in 1:25.2, and Lang was 5th. In the

400 free relay the AHS squad came in 3rd. Andover's next competition will be at the Eastern's, which will be held at Brockton High School, Saturday, Nov. 12. High School swimmers who have qualifying times during the regular season may attend this meet. Andover high expects to send about 8 swimmers.

## Open Gym Cancelled

The Sunday High School Open Gym program sponsored each week by the Andover Recreation Community Schools Department, will not be offered on Sunday, Nov. 20. The Annual Elks "Hoop Shoot" will be taking place in the gym at this time. The Open Gym program will resume on Sunday, Nov. 27.

tie. Andover's goals were both booted in by Brian McGettrick.

### Division IV:

Diplomats 0 Stars 0

Diplomats 2 Stars 2

These two teams played back to back games, albeit a week apart, and both of them were very exciting. In the first game, the Stars managed to thwart all attempts by the Diplomats to score, including a penalty goal kick! In their third game of the season on Sunday, both teams demonstrated the fine soccer skills they have learned from Coaches Joanne Tucker and Jean Mackay — Stars, and Susanne Prochniak and Herbert Spooner — Diplomats, and once again it was a tie game. The Stars goals were both booted in by Connie Corkery (one on a penalty goal kick), whilst Lisa Aiello and Beth Luciano scored for the Diplomats. Fine performances were turned in by Mrs. D'Urso, Bob French and all of the other parents who supported both teams with equal enthusiasm.

## Veterans Honor Comrades Friday

Local veterans will parade to Spring Grove Cemetery Friday, to pay their annual Veterans Day memorial tribute to deceased comrades of past wars.

The Rev. Dennis Kohl of Faith Lutheran Church will give the eulogy at ceremonies that will start at 11 o'clock at the cemetery.

A service at the Shawsheen River Bridge at Stevens Street, in memory of Navy and Marine veterans who were lost or buried at sea, will follow at 11:30.

Patrick Flynn, commander of VFW Chapter 2128 will give the opening remarks at Spring Grove, and James Caldwell, commander of American Legion Post 8 will follow with the opening prayer. The two will also place the wreaths after Mr. Kohl's eulogy.

The benediction, given by Chaplain John Doherty of VFW Chapter 2128, will

precede a volley to the dead by a firing squad composed of the American Legion, VFW and Andover Company of Militia.

Mark Grigoli, a student at Andover High School, will play "Taps."

Participants, including officers and members of the veterans' groups, are invited to a buffet luncheon at the Elks Lodge, 400 So. Main St., following the ceremonies.
